

## Major Morning News

### Palestine Stock Exchange

- Birzeit Pharmaceuticals BPC approved, in its general assembly meeting on 17/04/2017, distributing 20% cash dividends for the year 2016, to record 3.91% dividend yield based on the price on the entitlement date.
- Palestine Monetary Authority PMA has released the results of its Business Cycle Index (PMABCI) for March 2017. The results revealed that Palestine's overall index was relatively stable, compared to the previous month. The index trended differently in the two regions: worsening in the West Bank and improving in Gaza Strip. As a result, the index fell to -12.1 points, increasing by only 0.2 point from the previous month, but remained well below the corresponding month in 2016, that scored 4.0 points.
