

## Major Morning News

### *Palestine Stock Exchange*

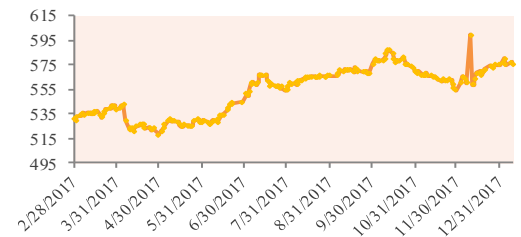

- The general assembly GA of Wataniya Palestine Mobile Telecommunications WATANIYA will be holding a meeting on 23/01/2018, whereby, will discuss raising the paid-up capital from \$258.00 million shares to \$293.00 million through offering \$35.00 million shares for secondary subscription to the company's shareholders each according to his contribution as for the extraordinary general assembly meeting date.
- Sanad Construction & Resources Company started to build warehouses in the village of Artah, south of Tulkarem. This step is part of company's strategy to secure strategic cement supplies to serve the northern governorates in the West Bank in order to avoid any interrupting in the provision of cement, which is considered a vital and fundamental material and a pillar to the Palestinian economy.
